activities for the
children during the service.

You are Unique

We will never be anyone else other than ourselves and scripture reminds us that we are created in the image of God and loved by God. God knows all about our lives – from the beginning to the end. There are no surprises for him – even though life sometimes takes us by surprise. God loved us so much that Jesus died for us on the cross so that we could be reconciled to God.

Now, as we are created in the image of God and God knows all about our lives and loves us so much that he sacrificed himself so that we may live - then why do we sometimes want to be like someone else? Why do we sometimes allow other people to try and make us like them?

When we do this then we are essentially being disrespectful to God because he is the one who has created us.

We are unique, we are loved, we are accepted and we are created by God. Nothing can separate us from God's love.

So this week we are invited to reflect on:

- Are we happy being ourselves?
- Do we accept who we are?
- Do we even like our self?
