Board of Managers News

The board of Managers have received authorization from Kaimai Presbytery and the Property trustees at PCANZ to replace the roof on Campbell Hall. They are now completing the acceptance of quotes and looking at the colour range for the new roof. Hopefully the changes will be come apparent in the near future.

Session News

Session has noticed that we are welcoming quite a number of visitors of late. We note that several of these are of other nationalities, we are looking at ways we may better connect with these visitors, making their visit to Knox a warm and friendly experience. We also would like to encourage these visitors to come to know Jesus in a meaningful way. If you have any ideas on how we may action this mission, please be in contact with any of the Elders and we also encourage church members to be part of this mission.

AGM for 2023

2023 AGM is likely to be held in September so could everyone who writes reports for the groups in the church please start pulling the information together and please try to get the reports into the church office email (adim@knoxmorrinsville.org) as soon as you can. Thank you.

WHAT IS THIS FOR?

We have been invited to the IFES (International Fellowship of Evangelical Students) international conference in Indonesia. This is a conference held every four years, where students and staff gather from a 180 different countries to share in fellowship together.

We are two of four New Zealand students involved in TSCF (Tertiary Students Christian Fellowship), who have been given this exciting opportunity.

The trip will cost around \$5000 each.

We are keen to take on jobs to help fund the trip. Any jobs you might offer us will be greatly appreciated.

WHEN WE WILL BE AVAILABLE:

- Saturdays between the 15th and the 29th of July.
- Evenings Tuesday to Friday between the 11th and the 28th of July.
